

Fiji container energy storage device company

Where are totalenergies storage facilities located in Fiji?

TotalEnergies Marketing (Fiji) Pte Ltd. owns six storage facilities in Fiji with the main terminals located at Walu Bay and Rodwell Road in Suva and Vuda Point in Lautoka. Five (5) of these terminals and depots are operated by TotalEnergies while the remaining one (1) is managed and operated by 3rd parties.

Why do we need solar power in Fiji?

By harnessing the abundant Fijian sunshine, we aim to power our pristine Fijian paradise with clean renewable solar energy for generations to come, thereby reducing Fiji's reliance on expensive and polluting diesel generation for electricity.

Why do organisations in Fiji switch to solar energy?

The answer is simple. Reduce costs, maintain control and look after Fiji. Organisations in Fiji choose to go solar for their energy for a variety of reasons, including financial, environmental, and strategic benefits. One of the primary reasons organisations in Fiji switch to solar energy is to save money on their energy bills.
