

Outdoor power lithium battery replacement

Do I need a battery for my outdoor power equipment?

Batteries are essential to the electrical system of your outdoor power equipment. If you're searching for a spare or a replacement for your Lithium Ion, Absorbent Gas Mat (AGM) or Lead Acid battery, use our Part Finder to make sure you're getting the right battery for all your equipment. Have a Model Number? Enter your model number to confirm fit.

Where can I buy a new battery for my lawn mower?

Stop by your local Ace for lawn mower batteries and power equipment battery replacements from brands like Milwaukee, DeWalt and others. Discover a variety of battery types to find the right fit for your lawn mower or power tool, then browse a selection of other outdoor power equipment to make lawn care a breeze.

What is a rechargeable lithium ion battery?

Rechargeable lithium-ion batteries are known for their high energy density and long lifespan. These batteries are popular because they are lightweight, charge quickly and deliver sustained power without the memory effect that plagues other battery types, like nickel-cadmium (NiCd) and nickel-metal hydride (NiMH) batteries.

Are electric lawn mower batteries good?

With models from brands like EGO, Stihl and Toro, electric mowers are a reliable fit for efficient home yard work. Don't let a dead battery slow down your day. Stop by your local Ace for lawn mower batteries and power equipment battery replacements from brands like Milwaukee, DeWalt and others.

Are rechargeable batteries eco-friendly?

A rechargeable battery is an eco-friendly choice that helps keep batteries out of landfills while saving you money. Although a battery and charger set may cost more upfront, you save money in the long run and ensure you can charge up your battery when you need to.

Can Ace replace a lawn mower battery?

Replacing your lawn mower battery can be quick and easy. Ace offers an assortment of standard battery sizes that work well for outdoor power equipment like lawn mowers, chainsaws and others. Ace can help you find the right battery for your needs. Rechargeable lithium-ion batteries are known for their high energy density and long lifespan.
